(E) MARRIAGE ENTRIES

Before 1754, the residence of the parties is not usually stated. If, however, the home parish is named, it is indicated herein by the initial letter, e.g. in the register of Elstow, "(E.)" denotes "of the parish of Elstow".

After 1754, the statutory form of register states (1) the parish in which each party resided; (2) whether married by banns or by licence; (3) whether bachelor or widower, spinster or widow. It is to be understood herein, unless otherwise stated, that all parties (1) belong to the home parish; (2) are married by banns; and (3) are bachelors or spinsters.
